# Reference Pictures

I figured that if you want to successfully study anatomy you need as much real life footage as you can get, so I wanted to include a little library of pictures at the end of every page. Here is how you can get Copyright free images:

1. use wikimedia commons
2. use ...

not final

# Everything you need to know when creating

1. if you are publishing a page, but it is not finished yet -> write this somewhere:

not final

2. turn on shortcuts, it makes your life easier
